Continuance of Rail 2 Rail Agreements with the Southern California Regional Rail Authority and North County Transit District

The Rail 2 Rail Program provides significant benefits to passengers traveling on the Los Angeles - San Diego - San Luis Obispo rail corridor by increasing the number of train options for travel along the corridor. The agreements to provide the Rail 2 Rail Program between the Pacific Surfliner and Metrolink and COASTER services on the Los Angeles - San Diego - San Luis Obispo rail corridor expire on June 30, 2019 and July 31, 2019, respectively. Staff will provide an update on the efforts to prepare an amendment to the existing agreement with the North County Transit District and prepare a new agreement with the Southern California Regional Rail Authority to continue the program.
