Coachella Valley Music Festivals Special Event Service Update

The Los Angeles - San Diego - San Luis Obispo Rail Corridor Agency is coordinating with the Riverside County Transportation Commission, Amtrak, and the Union Pacific Railroad in planning for special event service to the Coachella Valley Music and Arts Festival and Stagecoach County Music Festival in Indio, California. The special event service will provide a safe and alternative mode of transportation between Los Angeles and Indio during the festivals, which occur over three consecutive weekends each April. Staff will present an update on the status of the coordination efforts to implement this special event service.
