Technical Advisory Committee Membership Update

The Los Angeles - San Diego - San Luis Obispo Rail Corridor Agency Technical Advisory Committee provides feedback on technical issues associated with improvements in passenger rail service and related facilities on the

Los Angeles - San Diego - San Luis Obispo rail corridor. On June 19, 2017, the Board of Directors adopted a formal membership roster for the Technical Advisory Committee. The roster has been updated to include newly appointed representatives from two member agencies and is presented for Board of Directors confirmation.

Confirm the revised Los Angeles - San Diego - San Luis Obispo Rail Corridor Agency Technical Advisory Committee membership roster.
